

# TRINH PHAM

DIGITAL EXPERIENCE DESIGNER

## PROFILE

Trinh Pham is a multidisciplinary designer who focuses on the methodology and principles of both UX/UI design and motion graphics animation.

With her ability to explore and "consume" new creative solutions and technology, she is able to combine her compassion and love for design and illustrations to create immersive and meaningful experiences for others

## EXPERIENCES

### Freelance UX/UI Designer | MAY 2017 - PRESENT

Self-employed - Oakville, Canada

Various design work for different organizations including web/app design, branding, social media content, motion graphics and illustration.

- **7ACRES ( have worked with )**  
Illustration and motion graphics for their website and lesson modules.
- **Comedian On Call ( currently )**  
Rebranding and creating high fidelity website prototype.
- Other organizations for other design services.

### Interaction Designer | 2018

Forge Media + Design - Toronto, Canada

I joined the Interactive Team as a UX/UI + motion graphic design intern. I was responsible for helping out with any graphic design, building mockups/ prototypes, production and execution as needed.

### Product Designer | 2017

Web TVAsia - Ho Chi Minh, Vietnam

Worked with main production team at Web TVAsia; a leading Digital entertainment company in Vietnam as a Product Design Intern. Created social media contents and motion graphics.

### UX Researcher | 2017

Sunlife Financial - Toronto, Canada

Conducted user usability testings and analyzed data to help enhance the user experience on the Sunlife website.
